Need a Ride?

A&M partnered with Zimride (my company) to create a rideshare system - an online social network that operates like a rideboard, except it is private to the campus. Signing in requires an Aggie NetID, and students can post rides to match up with other Ags going the same way. If a ride is later posted that matches theirs, they will get an email notification. There is no cost to use the site. Here is the link: www.zimride.com/tamu
